AGRICULTURE AND NUTRITION ACT OF 2018

The SPEAKER pro tempore. Pursuant to House Resolution 900 and rule XVIII, the Chair declares the House in the Committee of the Whole House on the state of the Union for the further consideration of the bill, H.R. 2.

Will the gentleman from Georgia (Mr. COLLINS) kindly resume the chair.

IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the state of the Union for the further consideration of the bill (H.R. 2) to provide for the reform and continuation of agricultural and other programs of the Department of Agriculture through fiscal year 2023, and for other purposes, with Mr. COLLINS of Georgia (Acting Chair) in the chair.

The Clerk read the title of the bill.

The Acting CHAIR. When the Committee of the Whole rose earlier today,

amendment No. 16 printed in House Report 115-679 offered by the gentleman from Arizona (Mr. BIGGS) had been disposed of.

AMENDMENT NO. 17 OFFERED BY MR. RUSSELL

The Acting CHAIR (Mr. GALLAGHER). It is now in order to consider amendment No. 17 printed in House Report 115–679.

Mr. RUSSELL. Mr. Chairman, I have an amendment at the desk.

The Acting CHAIR. The Clerk will designate the amendment.

The text of the amendment is as follows:

Page 386, line 23, insert "(a) IN GENERAL.—" before "Section".

Page 387, after line 5, insert the following: (b) EXCLUSION OF ALCOHOL PRODUCTS FROM DEFINITION.—Section 231(a)(5) of such Act (7 U.S.C. 1632a(a)(5)) is amended by adding below subparagraph (B) the following:

"The term 'value-added agricultural product' does not include beer, wine, distilled spirits, hard eider, or other alcohol product.".

(c) RESCISSION.—Of the funds made available under section 231(b)(7)(A) of the Agricultural Risk Protection Act of 2000 (as in effect before the date of the enactment of this section) to the Secretary of Agriculture to make value-added agricultural product market development grants and unobligated as of such date of enactment, \$8,000,000 is hereby rescinded.

The Acting CHAIR. Pursuant to House Resolution 900, the gentleman from Oklahoma (Mr. RUSSELL) and a Member opposed each will control 5 minutes.

The Chair recognizes the gentleman from Oklahoma.

Mr. RUSSELL. Mr. Chairman, this amendment addresses but redirects; it does not eliminate any funds from the Value Added Producer Grants.

These \$18 million worth of grants are designed to generate new products, expand market opportunities, and assist beginning and socially disadvantaged farmers, family farms, and even veterans entering farming.

Unfortunately, millions of these funds go to fund alcohol products.

While there is nothing inherently wrong with alcohol products, of the government funds that are used for promotion of these products through the program, we also note that the alcohol industry spends \$7.6 million a year in lobbying costs.

Not only do these tax dollars used to fund the promotion of alcohol take away from non-alcohol-based farmers and ranchers, they also compete with the Government itself.

Every year, we spend millions of dollars to curtail the use and abuse of alcohol.

According to the Centers for Disease Control, the impacts and loss of alcohol abuse results in \$249 billion a year in economic, workplace absence, healthcare loss, criminal justice expenses, and vehicle crash costs.

Mr. Chairman, it makes no sense that the Government should spend money to both promote and curtail an industry.

This amendment preserves the Value Added Grants for farmers that have no \$8-million-a-year industry to lobby for them, and it ends the duplicatious practice of the Government being both for and against something that costs the Nation nearly \$250 billion in annual economic loss.

Mr. Chair, I urge my colleagues to support this amendment, and I reserve the balance of my time.

Mr. NEWHOUSE. Mr. Chair, I claim time in opposition to the amendment.

The Acting CHAIR. The gentleman from Washington is recognized for 5 minutes.

Mr. NEWHOUSE. Mr. Chair, I rise in strong opposition to the Russell amendment, which, if enacted, would have a detrimental impact on producers across our Nation, including many of my wine, grape, and hops producers, as well as the beer and wine industry, not only in my State, but around the country.

This amendment proposes to eliminate wine, distilled spirits, beer, and other alcohol products from the Value Added Producer Grant program administered by the USDA.

These industries, in my State and, quite frankly, across the Nation, are a growing segment of our farm economy, providing thousands of jobs.

It is also important to point out the growing significance of wine and hops exports to their industries. Last year, my State exported \$28 million of wine, representing about 5 percent of our total production.

In my home valley of the Yakima Valley in the State of Washington, we account for 75 percent of the U.S. production of hops. With the continued boom of microbreweries and the demand for hops, we must ensure we have available markets.

Our wine grape growers and the wine industry continue to face challenges in export markets, such as the recent tariffs placed on our products by China.

We are in an environment with potential changes in international trade, and farmers are looking for more export markets.

Mr. Chair, I urge my colleagues to oppose any efforts to limit our farmers' ability to find markets for their products.

Mr. Chair, I include these letters of support in the RECORD: one from the Wine Institute, Wine America, Distilled Spirits Council, and the Brewers Association; and one from the Specialty Crop Farm Bill Alliance.

May 17, 2018.

Re Oppose Russell Amendment to the Farm Bill.

DEAR REPRESENTATIVE: We write on behalf of the nearly 9,000 small, family owned wineries, 6,200 small and independent breweries and approximately 1,700 distilleries spread across rural America to urge you to vote against the Russell Amendment to the Farm Bill.

This amendment would unfairly target a vibrant and growing segment of U.S. agriculture by seeking to block small wineries, breweries and distilleries from participating in USDA's value-added agriculture marketing grants. Combined, the American
